HEROES UNLIMITED CHARACTER SHEET - CONTINUATION

Skills and character notes

Power outcome and starting allowance (continued)

The recorded target raises calculated M.A. only when higher. Manual fixed values and adjustments remain available.

+10% to seduction, pick pockets and reviewed deception/sleight-of-hand skills; this power grants no skills.

Heroes Unlimited - RPG - 2E, printed p.231 / PDF p.232

Extraordinary Physical Beauty: recorded target 28; dice [4, 4]; Minor

The recorded target raises calculated P.B. only when higher. Manual fixed values and adjustments remain available.

Adds 10% to acquired Research, Interrogation, Seduction, Palming and Pick Pockets. No skills are granted; Interrogation still needs a reviewed program path.

Charm/impress uses the ordinary mortal P.B. chart, with attribute bonuses capped at 30.

Heroes Unlimited - RPG - 2E, printed p.232 / PDF p.233

Minor selections: 2 used / 4 allowed

Insanity: +0; target depends on the triggering rule; M.E. +0

Heroes Unlimited - RPG - 2E, printed p.15 / PDF p.16

Psionic attacks: +0; target depends on the triggering rule; M.E. +0

Heroes Unlimited - RPG - 2E, printed p.15 / PDF p.16

Saving values include reviewed ordinary M.E. and selected power contributions only. Other modifiers remain pending.

Named power bonuses are roll additions. Unknown targets depend on the triggering drug, Horror Factor, possession or illusion rule.

Possession targets depend on the triggering ability and psychic status.

Ordinary M.E. bonuses stop at 30; below 16 has no exceptional bonus. Below 1 is unreviewed and remains blank.

percentages are automated. Other programs, remaining skill catalogs, repeated-program category choices, Street literacy trades and advancement remain unfinished.

Universal Speak Native Language (+25%) and Read/Write Native Language (+20%) remain source guidance. Native speaking base is unspecified; educated native literacy is 98%, and Street Schooled literacy is 30% +2% per level unless trading a skill. Their arithmetic interaction remains pending.

Education bonuses apply once to scholastic skills; I.Q. bonuses apply once to all supported skills. Ordinary proficiency is capped at 98%.

High School does not permit Business, Medical Assistant or Communications (original printed 45 / PDF 46, restriction item 1). Honor-system choices stay saved without an ineligible scholastic bonus. Earlier exact pins require an explicit reviewed update.

Paramedic treatment procedures remain source guidance: serious injury/coma uses two successes out of three checks; a failed attempt can be retried by another character or after six minutes concentrating. This creator displays proficiency, not an in-session treatment simulator.

Seduction: Successfully seduced victims perform skills at half proficiency and take twice as long; they have no initiative, and initiative bonuses halve when attacked by someone other than the seducer.

Seduction: The seducer acts first against that victim; any roll above 4 succeeds. The victim cannot defend against the first attack and loses one action from surprise or horror. These target combat effects remain source guidance until Heroes combat support is complete.

Seduction: +5% Pick Pockets, Palming/planting, Cardsharp, Sing and Dance against a successfully seduced victim; available Pick Pockets, Palming and Cardsharp contexts are projected here.

Seduction: One additional target may be influenced per three experience levels; Heroes advancement remains pending.

Seduction: Normal mortal M.A./P.B. bonuses stop at 30 even when a manual attribute value exceeds that limit; god/alien exceptions remain pending.

Palming: Conceal a small object in the hand so it seems to disappear. When acquired, adds 5% to Pick Pockets.

Palming: A successfully seduced victim gives a conditional +5% Palming check when Seduction is acquired. This is not a general bonus against other targets.

Cardsharp: Card handling, marked cards, counting and odds. A failed check fumbles the trick, misreads markings or exposes cheating.

Cardsharp: Acquired Palming adds 4%. Acquired Seduction permits a conditional 5% against a successfully seduced target.

Concealment: Objects must be no more than 14 inches long/high, 6 inches wide and 10 pounds.

Concealment: Small/light items and handguns or knives hidden under clothes each have a stated 5% context. These alternative contexts are displayed separately; no combined 10% is assumed.

Concealment: Concealment receives Extraordinary M.A. as reviewed sleight-of-hand under the selected interpretation.

Pick Locks: Mechanical locks only; sophisticated computer/electronic locks are excluded. Each attempt takes 1D6 melee rounds; a failed attempt leaves the lock holding and may be retried.

Prowl: Successful stealth avoids being seen or heard and permits a sneak attack. This creator displays proficiency; it does not resolve an attack.

Acrobatics/Gymnastics included Prowl and their training bonuses remain separate unfinished work.

Streetwise: Recognize gangs, dangerous locations, criminal contacts, dealers, drugs and undercover agents by a skill check.
