variants remain pending. Source Master Psychic label uses save target10. ISP begins M.E.+1D6x10 and gains10 per additional level. Recovery2ISP per hour of activity or12 per hour of meditation/sleep. Four fixed Sensitive powers plus one additional Sensitive choice; Empathy receives only. Inherent psychic and physical senses remain distinct from ordinary acquired skills. Ley lines halve psychic sensing/tracking within one mile and obliterate it on a line. Physical smell, hearing and vision are unaffected. Situational endurance, carrying and bite rules remain descriptive. Coalition Dog Boys are never taught to read, including officers. Assassin training requires an evil alignment; honor-system source restrictions remain visible. Choose the source+2disarm or+2pullpunch through the named creation path. This standard foundation uses regular pay; officer variants remain pending. (Rifts - Ultimate Edition, class rules printed pp. 147, 148).

Climbing: Climb sheer surfaces with appropriate tools and techniques; rappelling includes ascending and descending with ropes. Roll every 20 feet; two consecutive failures cause a fall. (Rifts - Ultimate Edition, pp. 147, 148).

Intelligence: Recognize and analyze enemy information, troops, operations and evidence; estimate ranges, threats and strategic importance. Failed evidence remains inconclusive or misinterpreted. (Rifts - Ultimate Edition, pp. 147, 148).

Land Navigation: Stay on course by landmarks, distance estimates, trail marking and observation. Does not require Literacy or Mathematics; symbolic map reading carries 20% penalty. Travel and drift remain descriptions. (Rifts - Ultimate Edition, pp. 147, 148).

Hover Craft (Ground): Pilot ground hover vehicles, including basic hovercycles and hover trucks. Jumps, tricks, gunfire dodging and stunt driving carry -20%; movement rates and distances remain descriptive. (Rifts - Ultimate Edition, pp. 147, 148).

Wilderness Survival: Find water, food, shelter and help when stranded in forests, deserts or mountains. Also listed in Espionage; retain one acquired skill identity. (Rifts - Ultimate Edition, pp. 147, 148).

Prowl: Move quietly and carefully using balance, positioning, low visibility and crawling. Failure reveals the character; successful stealth may permit a sneak attack. Listed in both Rogue and Physical; use one identity and the Rogue entitlement for these two classes. (Rifts - Ultimate Edition, pp. 317, 321).

Detect Ambush: Recognize terrain and locations

Skills and character notes

suitable for ambush; this does not identify individual prowling enemies. (Rifts - Ultimate Edition, pp. 308).

Tracking (humans & robots): Identify and follow humanoid or robot tracks and conceal one's own trail using the same normal proficiency. Tracking animals or supernatural beings uses half proficiency; distraction and countertracking penalties remain descriptive. (Rifts - Ultimate Edition, pp. 309, 310).

Camouflage: Conceal a person, equipment, vehicle or fixed position using natural or artificial materials. Larger preparations take time; also covers concealing traps. (Rifts - Ultimate Edition, pp. 314).

Class psychic status controls the single I.S.P. reserve and saving target. Natural powers are additional; their retained reserve is not added again.

Class psychic powers: Dog Boy Master Psychic; save target 10 (attribute/class bonuses apply separately).

Inner Strength Points: 55; {'starting-ME': 15, 'starting-dice': 40}

One additional Sensitive power: 1 of 1 choices used; 0 remaining.

Sense Evil: Feel supernatural evil automatically without ISP; activate the power for approximate number, strength, location and tracking. Human evil registers only with immediate evil intent plus psychic powers or psychosis, and Mind Block may mask it. Learned at level 1. Always known class grant; no elective choice cost. Range: 140 feet (42.7 m) area.; Duration: 2 minutes (8 melees) per level of experience.; I.S.P.: 2; Saving Throw: None. (Rifts Ultimate Edition, Psionic Powers: Sense Evil).

Sense Magic: Sense nearby magic and follow emanations toward the source; identify enchantment or active spellcasting. Invisible magical or supernatural targets locate only to a general area. Psionic effects are excluded. Learned at level 1. Always known class grant; no elective choice cost. Range: 120 feet (36.6 m) area.; Duration: 2 minutes per level of experience.; I.S.P.: 3; Saving Throw: None. (Rifts Ultimate Edition, Psionic Powers: Sense Magic).

Sixth Sense: An automatic precognitive warning of imminent, unexpected life-threatening danger. The initial danger round grants+6 initiative, +2 parry and +3 dodge; it does not reveal the danger or operate when ISP is exhausted. Learned at level 1. Always known class grant; no elective choice cost. Range: 90 feet.; Duration: Until danger passes or occurs; bonuses only in its first melee round.; I.S.P.: 2; Saving Throw: None. (Rifts Ultimate Edition, Psionic Powers: Sixth Sense).

Empathy: Dog Boy Empathy is reception only;

RIFTS CHARACTER SHEET - CONTINUATION

transmission is unavailable. Empathy is a psi-ability that makes the psychic aware of, or feel, the emotions of other people, animals and supernatural creatures. The strongest emotions are easiest to sense: hate, anger, terror, love. Feeling for emotions can often be used to establish that somebody or something is nearby, but can NOT be used to pinpoint an invisible or hiding person/ creature. Empathy can be especially helpful in recognizing and communicating with ghosts and other supernatural creatures. Learned at level 1. Always known class grant; no elective choice cost. Range: 100-foot area.; Duration: 2 minutes per level.; I.S.P.: 4; Saving Throw: Standard each melee; a successful save obscures the target's emotions. Mind Block prevents emanations. (Rifts - Ultimate Edition, Standard Dog Boy abilities and physical bonuses).

Sense Psychic and Magic Energy: Automatic and constant; no ISP. Multiple scattered sources halve tracking; psychic scent cannot distinguish several sources using powers at the same location. Roll each melee round when tracking. Learned at level 1. Always known class grant; no elective choice cost. Energy tracking: 45 %; Active energy sensitivity: 450 feet; Inactive psychic/magic source sensitivity: 55 feet (Rifts - Ultimate Edition, Standard Dog Boy abilities and physical bonuses).

Recognize Psychic Scent: Automatic psychic scent recognition; no ISP. Recognizing an individual gains10 with a recent physical sample and10 for a past known encounter; these contextual additions are not unconditional. Learned at level 1. Always known class grant; no elective choice cost. General psychic scent recognition: 14 %; Specific known individual recognition: 10 %; Psychic scent range: 55 feet (Rifts - Ultimate Edition, Standard Dog Boy abilities and physical bonuses).

Sense Supernatural Beings: Automatic and constant; no ISP. Detects concealed supernatural presences and possession. Nearby ley lines halve psychic sensing/tracking and a ley line obliterates it. Learned at level 1. Always known class grant; no elective choice cost. Identify supernatural type/race: 64 %; Inactive disguised supernatural tracking: 40 %; Active/powerful supernatural tracking: 73 %; Inactive supernatural sensitivity: 100 feet; Active/powerful supernatural sensitivity: 1100 feet (Rifts - Ultimate Edition, Standard Dog Boy abilities and physical bonuses).

Superior Smell, Hearing and Sight: Physical senses remain available on ley lines. Track by smell in darkness; scent cannot follow through water, rain or astral paths. Roll once per1000feet, twice out of three successes regains a temporarily lost trail.

Telepathy: Read one person's surface thoughts
at a time; no deep memory probe or
simultaneous reading. Send brief directed
messages to one recipient; two-way
conversation requires both participants to have
telepathy. A suspected probe permits a
standard save, and Mind Block prevents probes
or communication. Learned at level 1. Range:

being telepathically probed he can resist, getting
the standard saving throw. Mind Blocks will
completely prevent telepathic probes or

Ultimate Edition pp. 345, 348.
Combat conditions (Ultimate Edition pp. 341,
344–348, 361):
Shooting contexts are training examples; actual
weapon modes, burst lengths, ammunition and
capacity remain pending.
Gun shooting excludes P.P., general
hand-to-hand strike and strength damage
bonuses. Assassin's explicit gun-strike gains
apply separately from W.P.; bursts halve only
the W.P. contribution. Untrained shooters
cannot make aimed shots.
Gun dodge requires seeing the attacker and
knowing the shot is coming; subtract 10 within
10 feet or 5 within 50 feet. Athletics and
hand-to-hand dodge bonuses do not apply to
gunfire or energy blasts (p. 361).
Power punch uses two actions and doubles
base dice before adding the normal-human
strength bonus.
Other special hand-to-hand moves remain
pending.

RIFTS CHARACTER SHEET - CONTINUATION

Skills and character notes

Hand to Hand: Expert: Body flip/throw costs one action; victim loses initiative and one attack. A successful roll with impact halves the damage.

Hand to Hand: Expert: Power Kick takes two actions, doubles base kick dice and adds P.S./Hand to Hand damage bonuses once (user-confirmed interpretation). It cannot combine with Leap Kick; knee and non-damaging moves have no power variant. Ultimate Edition p.345; style permission pp.347–348.
