category occurs in this MOS. Weapons MOS grants four distinct additional Modern proficiencies; fixed Energy Pistol/Rifle does not fill them. Modern W.P. training contexts do not simulate actual firing modes, burst lengths or ammunition consumption. Submachine guns and machine-guns use burst fire; flamethrower effects and source restrictions remain descriptive. Weapons and equipment are issued as needed at the commanding officer's discretion; availability may be limited. (Rifts - Ultimate Edition, class rules printed pp. 236, 237).

Military Etiquette: Understand military behavior, procedures, ranks, formations, equipment issue, bureaucracy and chain of command. The ordinary soldier familiarity described by the source is a separate fixed 30% without improvement. (Rifts - Ultimate Edition, pp. 236, 237).

Hover Craft (Ground): Pilot ground hover vehicles, including basic hovercycles and hover trucks. Jumps, tricks, gunfire dodging and stunt driving carry -20%; movement rates and distances remain descriptive. (Rifts - Ultimate Edition, pp. 236, 237).

Demolitions: Use explosives and detonation devices for sabotage and demolition, including strategic mine placement and suspicious wires. A failed normal roll produces a dud. Using this skill underwater carries -10%. (Rifts - Ultimate Edition, pp. 236, 237).

Demolitions Disposal: Safely defuse unexploded mines, bombs, explosive traps, dud rounds and charges. Disposal outcomes remain descriptive. (Rifts - Ultimate Edition, pp. 236, 237).

Skills and character notes

Ultimate Edition pp. 345, 348.

Combat conditions (Ultimate Edition pp. 341, 344-348, 361):

Shooting contexts are training examples; actual weapon modes, burst lengths, ammunition and capacity remain pending.

Gun shooting excludes P.P., general hand-to-hand strike and strength damage

bonuses. Assassin's explicit gun-strike gains apply separately from W.P.; bursts halve only the W.P. contribution. Untrained shooters cannot make aimed shots.

Gun dodge requires seeing the attacker and knowing the shot is coming; subtract 10 within 10 feet or 5 within 50 feet. Athletics and

hand-to-hand dodge bonuses do not apply to gunfire or energy blasts (p. 361).

Power punch uses two actions and doubles base dice before adding the normal-human strength bonus.

Other special hand-to-hand moves remain pending.

Hand to Hand: Expert: Body flip/throw costs one action; victim loses initiative and one attack. A successful roll with impact halves the damage.

Hand to Hand: Expert: Power Kick takes two actions, doubles base kick dice and adds P.S./Hand to Hand damage bonuses once

(user-confirmed interpretation). It cannot combine with Leap Kick; knee and non-damaging moves have no power variant.
