RIFTS CHARACTER SHEET - CONTINUATION

Skills and character notes

Lore: Magic: Recognize magic symbols, runes and circles: 27% (+5% per level)

Archaeology: Recognize artifacts and infer their purpose: 20% (+5% per level)

Lore: Demons & Monsters - North America: 37% (+5% per level)

Character notes (continued)

customs, drugs and their street names/prices.

Adds +10% to I.D. Undercover Agents. (Rifts - Ultimate Edition, pp. 97, 303, 321).

Lore: Magic: Know magical theories, history and practitioners without acquiring magic powers or Techno-Wizard use. Separate normal checks recognize symbols/circles and enchantment.

Artifact information depends on the item; unknown or alien artifacts carry a 15% penalty. (Rifts - Ultimate Edition, pp. 325).

Lore: Juicer: Know Juicer culture, variants, abilities, drugs, side effects, gangs and notable figures. (Rifts - Ultimate Edition, pp. 325).

Breed Dogs: Raise, mate, tame and train domestic or wild canines. The separate normal check trains tricks and specific work; trained animals are not familiars. (Rifts - Ultimate Edition, pp. 323).

Whittling & Sculpting: Carve wood, bone and horn into figures or simple objects. One selection is amateur; two confer professional quality and 10% once. (Rifts - Ultimate Edition, pp. 326).

Lore: Demons & Monsters: Know supernatural monsters, demons, powers, weaknesses and folklore of the retained geographic region. Different regions count as separate skill selections. (Rifts - Ultimate Edition, pp. 324).

Mythology: Know famous world myths and the retained culture's folklore. Adds 5% Lore: Magic and Lore: Demons & Monsters. (Rifts - Ultimate Edition, pp. 325).

Knee strike: 1D6 S.D.C.; 1 action(s). Ultimate Edition pp. 345, 348.

Body flip/throw: 1D6 S.D.C.; 1 action(s). Ultimate Edition pp. 345, 348.

Combat conditions (Ultimate Edition pp. 341, 344-348, 361):

Shooting contexts are training examples; actual weapon modes, burst lengths, ammunition and capacity remain pending.

Gun shooting excludes P.P., general hand-to-hand strike and strength damage bonuses. Assassin's explicit gun-strike gains apply separately from W.P.; bursts halve only the W.P. contribution. Untrained shooters cannot make aimed shots.

Gun dodge requires seeing the attacker and knowing the shot is coming; subtract 10 within 10 feet or 5 within 50 feet. Athletics and hand-to-hand dodge bonuses do not apply to gunfire or energy blasts (p. 361).

Power punch uses two actions and doubles base dice before adding the normal-human strength bonus.

Other special hand-to-hand moves remain

RIFTS CHARACTER SHEET - CONTINUATION

Skills and character notes

pending.

Hand to Hand: Basic: Body flip/throw costs one

action; victim loses initiative and one attack. A

successful roll with impact halves the damage.

Perception O.C.C. bonus: +4 (Rifts - Ultimate

Edition, pp. 97). Other Perception contributions

remain separate.

Saving fields show reviewed bonuses.

Save vs disease: +0; Save vs illusions: +0

The P.E. magic bonus does not apply to

demonic curses or possession.

High-M.E. possession bonuses are restricted to

specified supernatural beings; they are not

granted to this ordinary Human path.
