Two Ancient and two Modern W.P.s are free

initial choices; three additional initial W.P.s use

Related slots. Select at least two additional

Physical skills from initial Related training. Fixed

Body Building and Gymnastics do not fulfill this

requirement. Three dedicated W.P. awards at

level five do not free earlier paid training. Fixed

W.P. Shield starts at level two. Psychic path

may be chosen instead of rolled. Non-psychic

path is only for a character without prior innate

psionics. Conditional mounted/Zen/Psi-Weapon

activities remain source descriptions. Fixed

Demon/Monster Lore uses North America as the

representative region; retain another region in

identity notes. (Rifts - Ultimate Edition, class

rules printed pp. 66, 67).

Two distinct other languages: 2 of 2 distinct

other-languages choices; 0 still required. Rifts -

Ultimate Edition, printed pp. 66, 67, PDF pp. 69,

70, Cyber-Knight O.C.C. skills and training

entitlements.

Two additional Physical skills: 2 of 2 distinct

related choices; 0 still required. Rifts - Ultimate

Edition, printed pp. 66, 67, PDF pp. 69, 70,

Cyber-Knight O.C.C. skills and training

entitlements.

Climbing: Climb sheer surfaces with appropriate

tools and techniques; rappelling includes

ascending and descending with ropes. Roll

every 20 feet; two consecutive failures cause a

fall. (Rifts - Ultimate Edition, pp. 66, 67).

Gymnastics: Primary percentage measures

sense of balance. Automatic kick at first level

does 2D4 S.D.C. damage. Basic climb and

prowl have no level growth; they yield to the

separately learned full skill, which receives the

source bonus instead. (Rifts - Ultimate Edition,

pp. 66, 67).

Horsemanship: Cyber-Knight: Exclusive

Cyber-Knight training. While mounted: +1

initiative at levels 1/5/9/14, fall/impact+2,

parry/dodge+2, melee damage+6, charge+3D6

S.D.C./+2D6 M.D., horse strike+2 apply only

while mounted; these contextual effects are not

added to standing combat totals. (Rifts -

Ultimate Edition, pp. 66, 67).

Land Navigation: Stay on course by landmarks,

distance estimates, trail marking and

observation. Does not require Literacy or Mathematics; symbolic map reading carries 20% penalty. Travel and drift remain descriptions. (Rifts - Ultimate Edition, pp. 66, 67).

Lore: Demons & Monsters: Know supernatural monsters, demons, powers, weaknesses and folklore of the retained geographic region.

Different regions count as separate skill selections. (Rifts - Ultimate Edition, pp. 66, 67).

Trick Riding: Use the first percentage of a known Horsemanship skill for each stunt, including bareback/standing/sideways riding, quick mounting, leaps between mounts and hiding beside or beneath the animal. Without this skill, use half the second horsemanship percentage. Non-horse mounts halve the trick percentage unless Exotic Animals horsemanship is known. No independent base, growth or second IQ/class bonus is added. Uses current primary proficiency from Horsemanship: Cyber-Knight. (Rifts - Ultimate Edition, pp. 306).

Automobile: Drive manual or automatic cars, dune buggies, jeeps and small trucks. (Rifts - Ultimate Edition, pp. 318).

Class psychic status controls the single I.S.P. reserve and saving target. Natural powers are additional; their retained reserve is not added again.

Class psychic powers: Minor Cyber-Knight psychic path; save target 12 (attribute/class bonuses apply separately).

Inner Strength Points: 22; {'starting-ME': 11, 'starting-dice': 11}

Initial additional psychic powers: 3 of 3 choices used; 0 remaining.

Meditation: Meditation is a trance state of consciousness in which the individual can calm his emotions and focus on relaxation of mind and body. In a meditative state, the psychic finds peace and harmony between mind, body and spirit, and it is in this state of being that he can regenerate his Inner Strength (I.S.P.).

Recovers Base I.S.P. at a rate as indicated under each psychic O.C.C., otherwise six I.S.P. per hour of meditation. Learned at level 1.

Always known class grant; no elective choice cost. Range: Self.; Duration: As needed; at least one hour of meditation is required.; I.S.P.: None, zero. (Rifts Ultimate Edition, Psionic Powers: Meditation).

Cyber-Knight Psi-Sword: Source-owned Psi-Weapon starts at 1D6 Mega-Damage, adding 1D6 at levels 3, 6, 9, 12 and 15. From level 3, a second Psi-Weapon may be created, one in each hand. Standard blue-white sword appears instantly without an action or duration limit. Non-sword forms cost one creation action; unusual colors add another. Reshaping costs two actions. Thrown forms, moving parts and

projectiles are unavailable. Size and blunt or bladed shape do not change damage. Metallic, black and earth colors are unavailable. Pure white costs five creation actions, one upkeep action each round and imposes -10% to skills while present. These are descriptive choices, not encounter automation. Learned at level 1. Always known class grant; no elective choice cost. I.S.P.: 0 (Rifts - Ultimate Edition, Cyber-Knight psychic powers and reserves). Cyber-Knight Psi-Shield: Source-owned psychic shield uses the Cyber-Knight class cost of 15 ISP. Shapes, timing, use and conditional combat effects follow the class source guidance; no encounter automation is implied. Learned at level 1. Always known class grant; no elective choice cost. I.S.P.: 15 (Rifts - Ultimate Edition, Cyber-Knight psychic powers and reserves). Resist Fatigue: A mind over matter discipline which enables the character to engage in physical activity without suffering from exhaustion. However, fatigue is only temporarily suspended, so the psychic feels extremely tired and may even collapse when the duration of this power elapses. Learned at level 1. Range: Self.; Duration: One hour plus 20 minutes per level of experience.; Length of Trance: 1D6 melees of preparatory meditation.; I.S.P.: 4 (Rifts Ultimate Edition, Psionic Powers: Resist Fatigue). Alter Aura: Temporarily disguise the information revealed by your aura, such as alignment, psychic potential and magical energy. Learned at level 1. Range: Self.; Duration: One hour per each level of experience.; I.S.P.: 2; Saving Throw: None. (Rifts Ultimate Edition, Psionic Powers: Alter Aura). Mind Block: This is the ability to completely close or block oneself from all psychic/mental emanations. When intentionally closed to supernatural or psychic forces the character can not sense anything, can not use psychic abilities, nor be influenced by others. A Mind Block will prevent penetration of Telepathy, Empathy, Hypnotic Suggestion, Day Dream and Empathic Transmission. It can be an invaluable protective mask when dealing with malevolent psychic forces. Adds a bonus of +1 to save vs all psychic and mental attacks. Note: Mind Block only blocks psionic attacks that affect the psychic's mind or emotional state (i.e. Telepathy, Empathy, Hypnotic Suggestion, etc.). It offers not protection from magic. Learned at level 1. Range: Self.; Duration: 10 minutes per level of experience.; I.S.P.: 4 (per each duration period). (Rifts Ultimate Edition, Psionic Powers: Mind Block). Power kick: $2 \times 1D8 + 6 \text{ S.D.C.}$; 2 action(s). Ultimate Edition pp. 345, 348. Knee strike: $1D6 + 6 \text{ S.D.C.}$; 1 action(s). Ultimate Edition pp. 345, 348.

Body flip/throw: 1D6 + 6 S.D.C.; 1 action(s).

Ultimate Edition pp. 345, 348.

Combat conditions (Ultimate Edition pp. 341,

344-348, 361):

Shooting contexts are training examples; actual weapon modes, burst lengths, ammunition and capacity remain pending.

Gun shooting excludes P.P., general

hand-to-hand strike and strength damage

bonuses. Assassin's explicit gun-strike gains

apply separately from W.P.; bursts halve only

the W.P. contribution. Untrained shooters

cannot make aimed shots.

Gun dodge requires seeing the attacker and

knowing the shot is coming; subtract 10 within

10 feet or 5 within 50 feet. Athletics and

hand-to-hand dodge bonuses do not apply to

gunfire or energy blasts (p. 361).

Power punch uses two actions and doubles

base dice before adding the normal-human

strength bonus.

Other special hand-to-hand moves remain

pending.

Hand to Hand: Martial Arts: Body flip/throw

costs one action; victim loses initiative and one

attack. A successful roll with impact halves the

damage.

Hand to Hand: Martial Arts: Power Kick takes

two actions, doubles base kick dice and adds

P.S./Hand to Hand damage bonuses once

(user-confirmed interpretation). It cannot

combine with Leap Kick; knee and

non-damaging moves have no power variant.

bonus is granted. A failed roll leaves the

swimmer afloat without covering distance. Three

consecutive failed rolls cause submersion and

armor swimming requires staying afloat,

depending on armor weight; no buoyancy

formula is provided. Power armor swimming is

permitted. Surface swimming has the fatigue

rate of running and is medium to heavy exertion,

especially fast or long distances. Conditional

storm and armor checks are shown separately;

they do not automatically resolve simultaneous

Surface swimming: Routine pace until fatigue;

distance uses current effective P.S., duration
