Powers & Special Abilities

Continuous Mutation

Major super ability OR Super psionic power: 1

Counts are starting allowances. Selecting individual powers and calculating their effects remain pending.

Rolls use unmodified percentile and D4 dice; attribute house options do not apply.

The book permits player choice by agreement. Player-choice alternatives have no percentile range; this utility uses the agreed honor system.

Starting allowance is one alternative, not both. Later grants: one Minor at level 2; one Major OR Super psionic at level 4; one Minor each at levels 6, 8, 12 and 14. Later grants are not included in starting counts.

Heroes Unlimited - RPG - 2E, printed p. 161 / PDF p. 162; heroes-mutant-power-budget 1.0.0

HEROES UNLIMITED CHARACTER SHEET - CONTINUATION

Skills and character notes

Universal Speak Native Language (+25%) and Read/Write Native Language (+20%) remain source guidance. Native speaking base is unspecified; educated native literacy is 98%, and Street Schooled literacy is 30% +2% per level unless trading a skill. Their arithmetic interaction remains pending. Education bonuses apply once to scholastic skills; I.Q. bonuses apply once to all supported skills. Ordinary proficiency is capped at 98%.

High School does not permit Business, Medical Assistant or Communications (original printed 45 / PDF 46, restriction item 1). Honor-system choices stay saved without an ineligible scholastic bonus. Earlier exact pins require an explicit reviewed update.

Paramedic treatment procedures remain source guidance: serious injury/coma uses two successes out of three checks; a failed attempt can be retried by another character or after six minutes concentrating. This creator displays proficiency, not an in-session treatment simulator.
